

CERTIFICATE OF STRUCTURAL INTEGRITY

Product Number:

667005222

Version/Build Number:

v 2.0

Product Name:

Columns Calculator

We assure that this product was developed, evaluated and approved according to the steps outlined in the Waters Corporation Product Development process. Product development milestones were reviewed and approved by management. This product was found to be suitable for the customers, markets and intended usage as identified at the time of shipment.

To support this certificate for cGXP requirements of the user of this product, we will make the following documents available to customers for inspection at Waters Corporation:

- Design Inputs
- Acceptance Criteria
- Design Outputs
- Evaluation Testing - Verification and Validation

Waters Corporation will maintain this documentation on-site or at a secure off-site location and will require a non-disclosure agreement to be provided by those wanting access to the information.
